

Specialty Crop Initiative – Small Fruits and Hops

Post-Workshop Assessment

Please take a moment to complete our workshop survey:

What motivated you to participate in this workshop?

If a producer, how many years have you been farming?

Are you currently growing any small fruits or hops? If yes, what varieties?

		Disagree	Neither agree or disagree	Agree	Strongly Agree
1.	I have gained the confidence and knowledge to implement the recommended practices.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.	I believe the knowledge I have gained will enhance the profitability and economics of my farm operation.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.	I understand what science-based tools are available to assist me including soil preparation and disease management.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.	I plan to grow blueberries and/or brambles as a result of this workshop.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Do you need additional support to implement the recommended practices including but not limited to equipment, land, mentoring, and marketing channels?

Will you consider attending the advanced workshop series tentatively set for fall of 2018?
